Our trip today

this is how it usually goes

1. 

   Gather together

   We count that everyone is here.

2. 

   Walk to the forest

   We walk together on the path.

3. 

   Explore nature

   Pine cones, stones and small animals.

4. 

   Eat the packed lunch

   We sit together and eat.

5. 

   Back to the club

   Then we usually rest for a while.

We stay where an adult can see us. Anyone who wants to can usually walk next to an adult.
