HELPING OUT · AT HOME

Laundry day!

We help each other, from the laundry basket to the drawer.

How we do it

tick off when the step is done

1

Sort the laundry

Light in one pile and dark in another.

2

Load the machine

An adult adds the detergent.

3

Wait for the wash

The machine usually beeps when it is done.

4

Hang up

One peg on each piece.

5

Fold the clothes

When they are dry.

6

Put away

In the drawer or the wardrobe.

Everything is in its place. Thank you for helping!
