We make a sandwich

First everything is out. Then one step at a time.

What is needed

tick off when it is out

- [ ] **Bread** — 2 slices
- [ ] **Butter**
- [ ] **Cheese** — 2 slices
- [ ] **Cucumber** — 4 slices
- [ ] **Butter knife**
- [ ] **Plate**

Tip

The bread can be swapped for crispbread or a roll.

How we do it in this order

1. 

   Wash hands

   With soap and water.

2. 

   Get everything out

   From the fridge and the cupboard.

3. 

   Spread butter

   A thin layer is usually enough.

4. 

   Add the cheese

   One slice on each piece of bread.

5. 

   Add the cucumber

   Two slices on each piece of bread.

6. 

   Done!

   Now the sandwich is ready to eat.

Afterwards, what is left goes back in the fridge.
