How it goes one thing at a time

1. 

   Walk there

   We walk there together.

2. 

   Swing

   Or climb and dig in the sand.

3. 

   Snack

   Fruit and water during a break.

4. 

   Almost time

   An adult says so a little while before.

5. 

   Go home

   We take everything we brought.

 The swings may be busy. Then we usually wait our turn.
